Form W-2G

Department of the Treasury - Internal Revenue Service

Instructions to Winner

Box 1. The payer must furnish a Form W-2G to you if you receive:

- \$600 or more in gambling winnings and the payout is at least 300 times the amount of the wager (except winnings from bingo, keno, and slot machines);
- \$1,200 or more in gambling winnings from bingo or slot machines;
- \$1,500 or more in proceeds (the amount of winnings less the amount of the wager) from keno; or
- Any gambling winnings subject to federal income tax withholding.

Generally, report all gambling winnings on the "Other income" line of Form 1040. You can deduct gambling losses as an itemized deduction, but you cannot deduct more than your winnings. Keep an accurate record of your winnings and losses, and be able to prove those amounts with receipts, tickets, statements, or similar items that you have saved. For additional information, see Pub. 17, Your Federal Income Tax, Pub. 505, Tax Withholding and Estimated Tax, and Pub. 525, Taxable and Nontaxable Income.

Box 2. Any federal income tax withheld on these winnings is shown in this box. Federal income tax must be withheld at the rate of 25% on certain winnings less the wager.

If you did not provide your federal identification number to the payer, the amount in this box may be subject to backup withholding at a 28% rate.

Include the amount shown in box 2 on your Form 1040 as federal income tax withheld.

Signature. You must sign Form W-2G if you are the only person entitled to the winnings and the winnings are subject to regular gambling withholding.

Other winners. Prepare Form 5754, Statement by Person(s) Receiving Gambling Winnings, if another person is entitled to any part of these winnings. Give Form 5754 to the payer.
